After finding some perfect plants for your garden, why not stay for a little while and enjoy a hot or cold drink and a slice (or two) of delicious home made cake in the garden.

Or simply drop by and say hello and enjoy a drink and a piece of cake with friends.

Wellbeing in the Weald is a small local charity offering support and activities to people living in Cranbrook and the surrounding villages. The charity primarily supports those who are finding life difficult, whether through loss, loneliness, depression, or other unforeseen circumstances.

If you know someone who may benefit from the activities and support that Wellbeing in the Weald offers, do please look at our website for more information.

We are also seeking further volunteers in local villages to help us to reach more people.

Please get in touch. We look forward to hearing from you.
